Orbitra Employee Handbook 2026

Welcome to Orbitra Systems. We build fleet automation software for logistics companies. This handbook explains how we work together. It applies to every employee, intern and contractor in Austin, Toronto and remote locations.

1. Time Off

Full-time employees receive 20 days of paid time off (PTO) per calendar year, in addition to company holidays. PTO accrues monthly and up to 5 unused days carry over into the next year. Interns accrue PTO at half the full-time rate.

Sick leave is separate from PTO: you have 10 paid sick days per year. Tell your manager as early as you can; no doctor's note is needed for absences under 3 days.

2. Hybrid and Remote Work

Employees attached to the Austin or Toronto office work on site at least 2 days a week (Tuesday and Wednesday are team days). Remote employees visit an office for the quarterly planning week, with travel covered by the company.

3. Expenses

- Submit expenses within 30 days through the finance portal.
- Receipts are required for any expense above $25.
- The meal allowance while travelling is $60 per day.
- Client entertainment requires prior approval from your manager.

4. Code of Conduct

Treat colleagues, customers and partners with respect. Harassment, discrimination and retaliation are not tolerated. Protect confidential information: never share documents marked Confidential or Restricted outside their intended audience.

Report concerns to your manager, to HR, or anonymously to ethics@orbitra.example. Reports are reviewed by the People team within 5 business days.
